Leadership Team Report 08/08/2025

Blink and you'll miss it...we are already a third of the way through a short, 9 week term and whilst we shiver through a chilly winter, I have it on good authority that Jo and Max are embracing the splendors of the Aussie outback as they motor their way towards Cooktown, Queensland. We hope that they don't suffer the same fate as Captain Cook who ran around at Cooktown in 1770 and was stranded there for 48 days while he repaired the Endeavor. Meanwhile, back here in Irymple, there has been plenty going on.

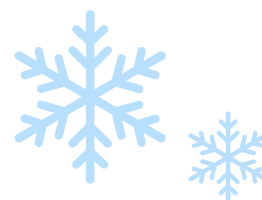

NAPLAN Data

Our 2025 NAPLAN data has just been released and our results are impressive. Our growth data during Year 7 to Year 9 is well above the state average in Reading, Writing and Numeracy and our staff and students need to be congratulated for producing such impressive results. These results highlight the importance of maintaining our high standards and expectations.

Year 10s

We are excited to welcome back our Year 10s who have been out of our school for the last two weeks completing work experience and attending the Ski Camp. The Ski Trip is a huge undertaking involving 93 students and 13 staff. The time and effort required to organise this trip has been enormous and we are grateful that everyone made it home safely and had a great time as well. Whilst going skiing for the week sounds like a great way to earn a living, we need to remember that those staff who attend this camp are on duty 24/7 and it's a huge commitment to be responsible for those kids on the mountain and off, as well as sacrificing time away from their families. We thank all the staff for supporting this great opportunity for our kids.

During the holidays and the first week of the term, Our Year 10s have completed 2 weeks of Work Experience. This is also a huge organisational challenge and we thank everyone involved for preparing this "real world" experience for our kids. We hope the Year 10s come back focused, with an invigorated sense of maturity as they prepare for their last two terms with us. We have received really positive feedback from most employers and we send out a huge "thank you" to all the businesses who were generous enough to take our students.

Leadership Team Report 08/08/2025

Sport

Intermediate Boys Hockey played last week and with 2 convincing wins and a draw, ISC came away with the Intermediate Boys title. A massive thanks to the parents who came to support and to the staff assisting on the day (from ISC and other schools). Also, a big thanks to all of the boys who played with pride, maturity and great sportsmanship.

On Monday 18th of August we have our Athletics Carnival and parents need to be aware that we won't be bussing kids to or from the Aerodrome Ovals this year. **Parents and carers will need to organise drop off and pick up from the venue.**

Staffing

It's an exciting time for us as we have some new staff joining our team.

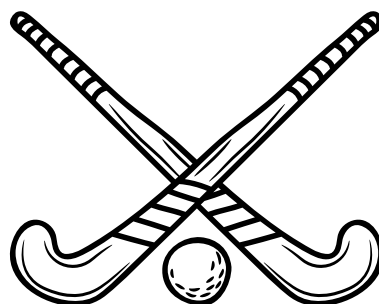

Jayshree Barrett, Brooke Hards, Tia Kilaris and Willow Collins have all been granted permission to teach which will allow them to join our teaching staff. Jayshree, Brooke and Tia have been working with us in an ES capacity for some time now and they will be a welcome addition to our team. Permission to teach means that they can teach while they finish off their teaching degrees. Willow has been a student teacher with us and has now finished her studies and will cover Erin Walsh's family leave for 3 terms. Kate Thomas is going to be teaching in the food and PE/Health areas, and Rupa Oberoi is joining our science team and brings with her a wealth of knowledge and experience to the science team. We welcome all our new staff and wish them all the best.

Doctors in Schools

We are relieved to finally have our Doctors in Schools program up and running again. Bookings can be made through the front office of the school from Wednesday 13th of August and this service will be offered every fortnight on Wednesday's.

Have a great term everyone.

Gregor, Dee and Karen.

END OF TERM 2 ASSEMBLY

During the last week of Term 2 we held our whole school assembly.

YEAR 10 SKI CAMP

On Monday, 28th of July our Year 10 Ski Campers disembarked to the snow!

On Tuesday, we had amazing sunny weather. Our students were able to undertake their first lesson with Falls Creek Instructors to learn the skiing ropes, such as how to turn, stop and accelerate as well as learning how to safely taking skis on and off.

Wednesday, our students continued to master the arts of skiing accompanied by many falls yet a lot of perseverance. Skills were being perfected and some students graduated from the beginner run, Mousetrap, and were able to undertake more difficult runs such as Wombat's Ramble and Drovers Dream.

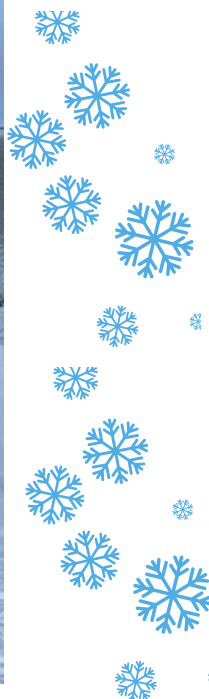

On Thursday, it was well and truly snowing up at Falls Creek! Our students were treated to Free Time and were able to showcase what they learnt from their instructors.

On Friday, everyone was up bright and early ready to tackle a full day of travelling back to Mildura.

Thank-you to Bright Chalet for our accommodation, our Camps Coordinator Tara Bate for all the organisation as well as our Year Level coordinators Todd Hughes and Keely Bradley and of course to the 13 legendary staff who attended.

STUDENT ACHIEVEMENTS

Georgia Jackson and Allegra Cirillo attended Melbourne University on Tuesday, the 5th of August, as part of the Brain Bee Challenge for Neuroscience.

They were invited to attend the State Finals after doing well in online assessments. They were able to experience a Stem Cell laboratory, an anatomy museum, as well as network with other students and researchers in the field of neuroscience. It is also worth noting they were the only non-metro students to attend and the only public school too.

Well done girls, we are very proud of you! We wish you all the best with your future endeavours in the medical field. We also thank their families for taking them to Melbourne, a big team effort!!

IN THE CLASSROOM

During Week 2 our Year 8 Art students have started to learn about Stencilling! While practicing on some floral shapes, the students learnt how to use a scalpel safely to cut out their stencils.

NEW STAFF 2025

Hi, I'm Brooke!

You may have already seen me around the school, but in case you haven't, I'm one of the newest faces here at ISC. I spent a few years studying in Melbourne while playing VFLW, and I'm now completing my Master of Teaching.

A fun fact about me: I actually went to ISC as a student, and now I'm back — this time on the other side of the classroom! I'm always up for a chat and happy to help wherever I can, so feel free to say hello if you see me around!

Hi, I'm Willow, and I will be joining the English team this year. I enjoy reading, crafts and sports, mostly Netball and Football. I have enjoyed my time at ISC so far, and am really looking forward to working with everyone. Everyone has been so welcoming, and I am looking forward to the remainder of the year!

NEW STAFF 2025

Hello Everyone.

I'm Rupa Oberoi and I am a Science Teacher. I have recently joined Irymple Secondary College.

I've been teaching in Mildura for 25 years and still love every bit of it. Outside of school I enjoy travelling, watching Netflix, helping at soup kitchen and cheering on the Indian cricket team.

I really appreciate the warm welcome that has been extended to me by the staff, students, and families at Irymple Secondary College—I'm excited to be part of the community and look forward to the journey ahead!

INTERSCHOOL BOYS HOCKEY

Boys had a great day on Monday, 4th of August at the hockey pitch.

Game 1 ISC vs. MP10

Strong play by Callum Beckwith and Hamish Regan up forward and Hunter Fortheringham getting some strong touches. Unfortunately, it didn't quite come together in this game and no goals were scored. Fortunately though we also had a defence that held up against some strong fire by Merbein. In particular recent import, Noah Kovac, made it impossible for Merbein to score. Final score 0-0.

Game 2 ISC vs. CSC

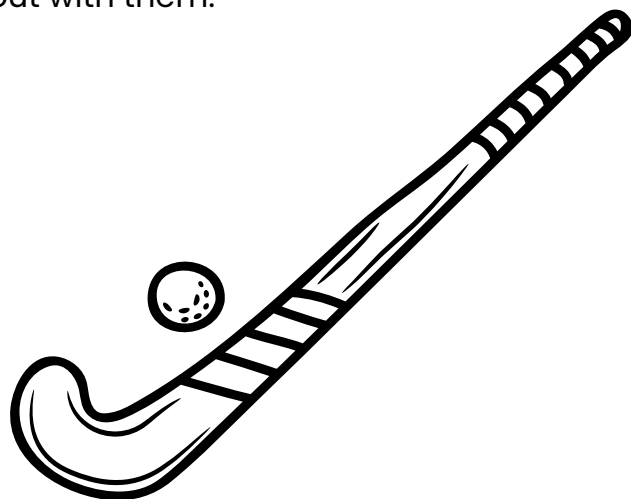

In this game they had worked out how to connect with each other and the team work was incredible. The wing line was on fire with Ethan Tschirpig pressing forward to allow passing into the goal circle. Goal each to Liam 'Silk' Trevena, Hamish, Callum and Hunter. Again the team work displayed was the winning recipe, including some insane goalie work by the ninja, Damon Clark. Final score ISC 4- CSC 1

Game 3 SJC vs. ISC

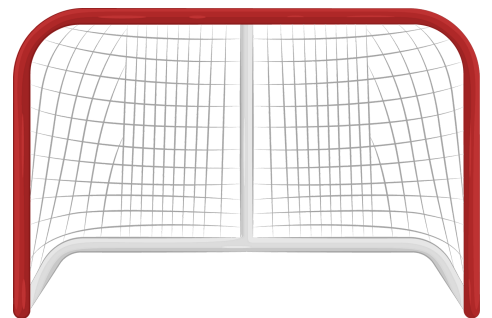

Once again the team work of ISC was undeniable. Harry Pyke and Nate Williams continued to fight hard through the center and back lines, feeding the ball into the forward. Hamish, Callum and Liam continued to be a force up front. Max Creek was fired up in this game and finding his ex-hockey legs, refused to let anything past in the back line. With the help of Alfie Fangaloka and Andre Curphey, nothing got through and SJC was unable to find a goal. Final score SJC 0- ISC 5

With 2 convincing wins and a draw, ISC came away with the Intermediate Boys title.

Massive thanks to the parents who came to support and to the staff assisting on the day, Kara and Beth. Also a big thanks to all of the boys who played with pride, maturity and great sportsmanship. It was a pleasure to be out and about with them.
