### Principals Report 02/11/2023.

Week 5 is already done which means time is slipping away for this year and there is still lots to do. I really urge you to keep abreast of all the dates for things that are happening leading up to the end of the year as we all know life gets extremely busy.

Our Year 9s are having a blast in Melbourne this week despite the cooler weather and next week our Year 9/10 girls hockey team head to Melbourne for the State Finals. We wish the team well and thank all the staff, both campers and those going to hockey as we know it is a huge commitment from them.

We have completed our four-yearly review with the Department of Education. We thank those parents, staff and students that spoke with the Review team about our school and look forward to the report in the next few weeks. We have started a four-year plan which will be shared with the community once completed.

Our Production of Shrek Jnr was last week as well and what a performance it was. I got a bit emotional as I couldn't be prouder of the Production Team and Performers – this show was extraordinary and to think a 7-10 school can provide such high-quality performances for our community. Congratulations and thanks to everyone involved in this huge task. It's taken months of planning, practice, set making, costume design and making etc.

Cheers,

**Jo McQuinn,**

**Principal**

## LMR INTERMEDIATE HOCKEY

On Wednesday 18<sup>th</sup> October, our 9/10 Hockey girls travelled to Bendigo to compete at the Loddon Mallee Regional finals.

They played one game, taking out a convincing win 8-1.

It was a lovely team effort with the following girls securing a goal or two throughout the match!

2 goals each to Zoe Williams, Maia Malycha and Ella Burling and 1 to Abbey Spain (our only non-hockey player).

Player of the match was Milla Bambrick in centre half back, by the end it was not even entering their attacking half thanks to Milla.

All girls played absolute blinders and worked well as a team passing around the defence.

We wish to congratulate all players and wish them luck when competing in Melbourne at State Finals, Wednesday 8<sup>th</sup> November.

## LMR JUNIOR GIRLS CRICKET

On Monday 23<sup>rd</sup> October, our 7/8 Girls Cricketers travelled to Swan Hill to compete at Loddon Mallee Regionals.

Unfortunately, the team lost both games on the day, but the girls were very happy to be playing and learning. Special shoutout to Tyler McGregor for coaching and Eadie Neagle who assisted to teach the girls pointers, how to pad up and scoring.

Also, big thank you to Chelsea Tuohey and Jeff Blow for driving the girls on the day.

## LMR BASKETBALL

On Friday 13<sup>th</sup> October we sent our two Junior Boys Basketball teams to Bendigo to compete at the Loddon Mallee Regional finals.

The first game of the day was our Year 7 boys against Bendigo South East (BSE). The game was extremely close throughout the second half, with Irymple taking a one-point lead with 8 seconds to go, however BSE were able to score and unfortunately we lost by one point – 33 to 32.

The second game for our Year 7's was against Catherine McAuley College Bendigo (CMC) and we managed to have a convincing win – 49 to 21.

The last game our Year 7 boys played was against St Joes Echuca and unfortunately our boys were out classed going down 34 to 37.

The first game for our Year 8 boys was against CMC, who were very tall and very skilled. We went down 49 to 28. The second game against Maryborough Education Centre (MEC) was well played and we managed to come away with the win 62 to 32.

The final game of the day saw our Year 8 boys playoff for third place against MacKillop Swan Hill. We managed to snatch up another win, 44 to 32.

Overall, our Year 7 boys team managed to finish second and Year 8's third. Both teams played great basketball and we had a successful day. Big thank you to our two bus drivers for the day – Jeff and Vas.

Following on from our Junior Basketballers, we also had our Intermediate Boys team travel to Bendigo on Wednesday 18<sup>th</sup> October to compete. There were three games for the day. The first game was against Marist Brothers Bendigo. This game was very hard as the Bendigo team had three state players. The team got off to a slow start trailing by 15 points early in the first half. During the second half the team played much better and brought the margin back to 6 points, however the final score was 53 to 44.

The second game was against Maryborough which was an easier game and the team won comfortably, 63 to 31.

In the third game against McKillop Swan Hill it was very close however our boys could not quite get to the lead and finally went down 43 to 35.

It was a great effort from the team and hoping to improve for next year.

Big thank you to Ash Hill for coaching all basketball teams at LMR.

## ISC PRODUCTION

Thank you to our local primary schools and our wider community for supporting our performing art students in our production of, Shrek The Musical Jnr. Special acknowledgments to MTC, The Mildura Musical Society, Red Cliff Players, The Gang Show, and ELT for your continued encouragement for the youth performers and backstage crew of Sunraysia.

## FOOTY STARS PROGRAM

Term 4 program will commence on Monday 6th November running for 6 weeks

This term we will be focusing more on the pre-season phase, players will be reintroduced to the skill acquisition and will add some conditioning / speed work.

For the u14/16 players who may be trying out for the Sunraysia Academy squads, this will be a great opportunity for you to get ahead of the others and give themselves the best chance to impress.
