- Tuesday 22nd of August - Athletics Day
Thursday 31st of August - Year 7/8 Interschool Basketball
Thursday 7th of September - Year 9/10 Interschool Basketball

Principals Report 10/08/2023.

We are halfway through this busy term and so far, we have coped well with the cold and flu season despite the freezing mornings. Hopefully the weather starts to pick up now until the end of term and we have better/warmer days ahead.

I am so excited when kids come in to tell me that they have been offered part time jobs, School Based Apprenticeships, future Apprenticeships as a result of their Work Experience at the beginning of the term and during the term 2 holidays. This shows that the Work Experience program is so well supported by our local community and is valuable not only to our students but to the workplaces as well.

Parents of students in Years 7 and 9 please be on the lookout as your child's Naplan results have been posted out directly to you.

Just a reminder to parents to please contact the office or your child's form teacher to inform us of an absence and if you are dropping your child off late or picking them up early, please ensure they sign in or out at the office.

We are very excited to be offering some additional items in the canteen – the kids have recommended these items which has enabled Liz and the team to move forward with these offerings. Enjoy everyone.

Have a great few weeks, we will have had our Athletics Day by the time the next newsletter is published, and I expect we will have lots of photos and good results to share from this day. Please encourage your kids to participate and join in – we traditionally have a great day with most students in attendance.

Jo McQuinn,

Principal

ATHLETICS DAY

ISC Athletics Day - Tuesday the 22nd of August 2023

Parents/carers are asked to please jump onto Compass and approve the event for your student/s to attend. If your student doesn't have consent to attend the event parents/carers will be called to collect them from school as ISC will be closed during the hours of the Athletics Carnival (including the front office).

SCHS VAPING PRESENTATION

Thank you to David from Sunraysia Community Health Services (SCHS) for speaking to our Students last week about the dangers of vaping and using e-cigarettes.

Some informative discussions and facts were brought to light.

TERM 3 ASSEMBLY

Assembly this term will be in the second last week of term (4th – 8th of September). The actual date will be confirmed closer to the end of the term

YEAR 10 SKI CAMP

During week 2, Year 10's were excused from normal school to embark to Bright for an Alpine experience. For many Year 10's this was their first ever time seeing snow which was met with a lot of curiosity and excitement. They hit the ground running the minute they arrived after an 8 hour bus ride straight to the ski hire shop where they were fitted with all necessary equipment for the week ahead. The following morning was yet another early start to begin the drive through flowing mountains to the slopes, once the slopes came into sight everyone was on the edge of their seats to exit the bus. Although increased wind, fog, falling snow and borderline blizzard conditions rolled in during our first day, it may have well been perfect given the reactions, smiles and atmosphere. During the second half of the day the Year 10's all received lessons from instructors to further improve their skills and further grasp the sport. After a long day of braking, listening, and falling, the bus ride back to the chalet was quiet all around, with heavy eyelids and snores. The lessons continued the second day, with everyone already showing improvement and enjoyment also fitted with more suitable weather conditions. This would be their last time doing lessons and on the third day it was all their own adventure. That night at the chalet everyone was so excited for the third day to do their own thing and use what they have learnt. When we all arrived on the third day, we were given a very inspiring speech from Mr Barenskie, basically saying it's the third day you're adventurous you're going to get hurt. Everyone went every which way that day doing their own thing and exploring as much as they could with the time left, which then once again led to a very large group of exhausted faces during the afternoon and night. On the bus ride home there was never a quiet moment, with everyone sharing experiences and stories of what they had accomplished or attempted that week, something they will never forget. - Kalin Stortz
